

## Dreams of Dali Privacy Policy

Effective Date: Jan 23, 2018

This privacy policy governs your use of the software application/virtual reality experience Dreams of Dali (“Application”) that was created for The Dali Museum, St. Petersburg, FL by Goodby Silverstein & Partners, San Francisco, CA.

We will not collect or use any personal data about you if you download or in other way use this App. We may collect anonymous usage analytics that have no ties to personal user data. Your personal data as a user of Oculus Home, Steam and Steam VR, or Viveport will be governed by the terms and conditions from Oculus, Valve, or HTC respectively and not this Agreement.

Oculus Rift and other VR device manufacturers do not recommend prolonged use of their headsets for children under 14; and anyone under 18 must have permission to use the Application from a parent or guardian.

This Privacy Policy may be updated from time to time for any reason; changes will be posted here. You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

If you have any questions regarding privacy while using the Application, or have questions about our practices, please contact us at [info@thedali.org](mailto:info@thedali.org).
